# About Us

Successful companies are weighed by the ability of their teams in planning and execution.

GULFSTARS Logistic has been an integral part of Gulf Region's logistics industry from 2014 (1435G) serving well reputed leading market players and established international organizations in Saudi Arabia due to its strong commitment to Innovation, cutting edge Technology and Excellent Service

Gulf Stars has built a solid reputation for market excellence, safety, quality and stability. With more than 250 employees dispersed across Saudi Arabia and by using Latest technology and highly skilled Team, we feel at ease in conducting operations both in Saudi Arabia and all-over Middle East.

GULFSTARS do the process of planning, implementing and controlling procedures for the efficient and effective transportation and storage of goods. It includes services, and related information from the point of origin to the point of destination, for the purpose of conforming to customer requirements.

This includes inbound, outbound, internal, and external movements. GULFSTARS is engaged in providing qualitative Transportation logistics services and packing services to our esteemed clients by combining thought process, professional skills and personalized services. With our efficient clearing, forwarding, and shipping services, we ensure the prompt and safe delivery of shipments Door to Door.

We understand that every business has different shipping requirements. One size solution certainly doesn't fit all. Hence a tailor-made solution satisfies our customers and bound our relations for long term.

“

Gulfstars is committed to creating new and progressive approaches to its operations and services and contributing to the real growth of our customers. This way we work on the policy of “WIN- WIN” situation. The most asset of our company is the workforce, or we call it “OUR TEAM”. We nurture the careers of the employees, while depending on their skills and potential.

We keep on adapting new and emerging technologies and continue to innovate to face the challenges in the industry. Our success would not be possible without the contribution of our loyal customers and dedicated employees who have shared immense contribution in our incredible journey.
